It's time we put streets over stadiums.

GIVE CLEVELAND RESIDENTS
REAL POWER TO MAKE
REAL DECISIONS.

The People's Budget process is based on a participatory budgeting model that has been used in hundreds of cities across the country on projects like mobile health clinics, playground renovations, and public restrooms.

The People's Budget charter amendment would give Cleveland residents **real power** to decide how **millions of tax dollars** get spent each year.

Endorsed by...

...and 15+ community-based organizations.

Paid for by PB CLE Committee
